

Your Time is Now

Grow your pipeline with
8x8 Voice for Microsoft Teams.

You are invited to participate in an epic day of selling. Register now and claim your spot (and account insights) in the World's Largest Global Blitz Day!

Why Participate? As more IT leaders pick Microsoft Teams as their collaboration application, they are quickly running into the challenges and limitations of implementing a complementary enterprise voice solution. Until now, 3rd party telephony solutions for Microsoft Teams have been clunky, complex and extremely difficult to implement and manage.

Not anymore. 8x8 Voice for Microsoft Teams completely changes the paradigm and sets a new bar for how enterprise telephony solutions integrate with Microsoft Teams, with only a few simple steps to set up for IT administrators while leaving the Microsoft Teams user experience unchanged.

Join the 8x8 Sales & Partner Community on August 6th for this Global Blitz day and drive sales with Microsoft Teams Users.

The early bird gets the Account Intelligence! Register by 7/17 and you will receive complimentary Account Insights that you can use to compliment your prospect/customer calling lists.

During your kick off on August 6th you will be armed with

- 8x8 Value Proposition
- Competitive Landscape
- Product Demonstration
- Account Intelligence
